

Deodorising Urinal Screens

SLA 11A

Characteristics

- Deodorising urinal screen - red colour, kiwi and grapefruit scent
- Freshens the urinal for 30 days
- VOC compliant in USA and in Europe – Environmentally friendly
- Eliminates bad odors: it doesn't just mask, but it releases billions optimised bacteria that consume bad odors at their source and cut cleaning time in half
- Recommended to be used also in Waterless Urinals

Technical Specification

Dimensions	178 x 165 x 17 mm
Weight	61 g
